EXPERIENCE

WEB DEVELOPER TRAINEE   2022-2024

I work at National Institute of Computing and Technology as a front-end developer and polish my skills in web development with 2 Years of experience

EDUCATION

MATRICULATION | MISALI PUBLIC SCHOOL   2022

I achieved 96% marks in my Matriculation examinations, with a focus on Science subjects. This strong academic foundation has provided me with a solid base for further studies and skill development in technology. I've also been actively honing my computer skills through independent learning and resources from NICT.

INTERMEDIATE | PUNJAB GROUP OF COLLEGE   2024

I earned 81% in my Engineering Intermediate, specializing in Maths. Alongside my formal education, I've dedicated myself to expanding my computer skills, utilizing resources from **Harvard CS50x.**

BS-MATH | UNIVERSITY OF PUNJAB | GUJRANWALA

I'm currently pursuing my degree in Mathematics and learning new skill like expertise in **Artificial Intelligence** and machine learning.

PROJECTS

I recently create a Recipe Ai web app where user add its ingredients and **RecipeAi** give a proper recipe with description .
